## || Life Predictions ||

### Character

You are an energetic person, never satisfied unless you are up and doing. You are strong in mind and strong in body and full of enthusiasm for the work in hand. You have unlimited courage, and all these qualities combined tend to make your life varied. You are not going to stay at one thing just because you have set out in that direction. You will change your job, your friends, your hobbies or anything whatsoever provided you think the change is for better. Unfortunately for you, you will not always count up the pros and cons of the change as carefully as you should and this impulsiveness may often lead you into difficulties. Still you have a courage, you are a born fighter and are endowed with plenty of enterprise. All of which will enable you to succeed in the end. It is unlikely that you will amass great wealth but money is only useful for the happiness it can bring and of happiness you will have your full share and more. There are many reasons for thinking that you will move from place to place a good deal and probably you will see much of the world. If a man, you are likely to take up posts in various parts of the country, and, if a woman, it would not be surprising if you called upon to travel because of the requirements of your partner's business or profession. We would suggest that you should endeavor to cultivate the quality of patience, and that you reason out the cost more thoroughly before embarking upon some fresh enterprise. There are little points but they help to mar your success. Moreover, avoid being a rolling stone (avoid changes) especially after the age of 35.

### Happiness And Fulfillment

You are a person who live in fantasy. Hypersensitive, many of you have inferiority complexes, feeling slighted by taking the most unrelated incident as personal insult. It is important that you do not indulge in drugs or alcohol, for this adds to your unclarity. You be honest with yourself and others, and attempt to be as realistic as possible, for you tend toward escapism. Music, colours and nature are very positive in smoothing your overly sensitive being.

### Life Style

You are motivated to enhance your sex life. If other factors make you feel that material possessions are a requirement, you are motivated to gain much money. Whatever your goals, however, sex is the motivating factor. Recognise this, and rather than fight it, use it to best advantage.

### Career

Look for a career where you can use your abilities to carry out projects in minute detail. These projects must be perfect, and you will not be under pressure to limit the time it takes to complete them. For instance, if you go into interior design, you should have clients who have enough money to spend so that you can do an elegant job.

### Occupation

Almost any work that requires steady, intelligent plodding will give you satisfaction, especially in middle life or later. Your judgement is sound and you are thorough in all you do. You want to be left in peace and quiet to get on with your duties. You resent being hurried. Your methodical nature fits you for being placed in authority over others and, as you are placid and not fiery-tempered, you will secure the loyalty of those you have to direct. You possess a head for finance, which suggest that you would do well in the banking world, in the office of a finance company or a stock-broker. But most office work should suit to your temperament.

### Love Matters

You drift into matrimony almost as a matter of course. Very frequently, there is no courtship, so much as a friendship. Generally, you will not write love letters and the less romance comes into the affair the better. But do not conclude that you view marriage in a detached light. Far from it, once you marry, you do it with the full intention of marking the union as harmonious as is humanly possible and this ideal is not cast aside even after the lapse of a few years.

### Finance

You are not likely to be lucky with partners in business. You will be more likely to be architect of your own fortune than receive much help from others. But, there is no reason for you not to eventually succeed and even become wealthy. In matter of finance, your quick-witted clever brain will give you great opportunities. At times you are likely to be very rich and at other times the reverse. When you have money you will be extravagant, when without it you can adapt yourself to the lowliest sphere. In fact, the greatest danger is that you are by nature too adoptable to others as well as to conditions. If you made the effort to hold your nature in check, you would easily become a success in whatever enterprise, industry or work you became associated with.

## || Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Twelfth house from Lagna, while in the Moon chart Mangal is placed in Fifth house.

### **Hence Mangal Dosha is present in Lagna Chart but not in Moon Chart.**

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

### **Some Remedies (in case Mangal Dosha is present)**

#### **Remedies (needs to be performed before marriage)**

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

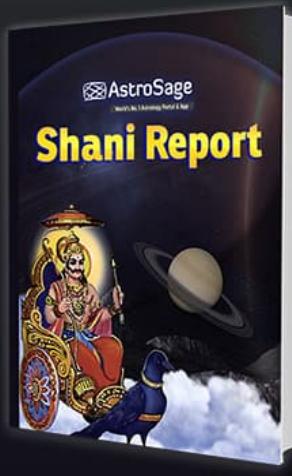

#### **Remedies (can be performed after marriage)**

- 1.Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
- 2.Worship Lord Hanuman by reciting Hanuman Chalisa daily.
- 3.Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

#### **Remedies (based on Lal Kitab, can be performed after marriage)**

- 1.Feed birds with something sweet.
- 2.Keep ivory (Haathi Daant) at home.
- 3.Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

If benefic, the native will be fond of constructing religious buildings and digging of wells for public purposes. He/She will have permanent source of livelihood- more from the government. Money earned from honest sources will keep multiplying. He/She will believe only on own eyes, not in what is being heard.

If malefic, the native's father may die in early childhood. Making love in the day time will make the wife constantly ill and have infection of tuberculosis if Venus is placed in the 7th house. Similarly, the malefic Sun in the 1st house and Saturn in the 8th house will cause the death of wives, one after the other. If there is no planet in the 7th house the marriage before 24th year will prove lucky for the native, otherwise the 24th year of the native would prove highly disastrous.

### Moon in your 8th house:

This house belongs to Mars and Saturn. The Moon here affects the education of the native adversely, but if education goes well the native's mother's life will be shortened and very often such a native loses both - education and the mother. However, the evil effects of the Moon in the 7th house will be mitigated if Jupiter and Saturn be placed in the 2nd house.

The 7th Moon often deprives the native of parental properties. If there is a well or pond adjacent to the parental property of the native, he/she will receive adverse results of the Moon all through life.

#### Remedies

- (1) Avoid gambling and flirting.
- (2) Perform Shraddha ceremony for to your ancestors.

## || Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
